

S. D. PUBLIC SCHOOL HAMIRPUR (H.P.)

(Education for Perfection)

Annual Report

(2023-24)

SD Public School Hamirpur aims to be the pioneer in educational institutions dedicatedly committed towards nurturing and fostering eminence. We strive for excellence in each and every endeavour so as to achieve transcendence. We at SDPS take immense pleasure and pride to present the annual report of our activities and achievements for the past one year i.e. 2022-23.

Brief History of the School

This school was established in the year 2005 and simultaneously affiliated to H.P. Board of School education Dharamsala. Gradually, with the limited sources of income, the school has created adequate infrastructure to accommodate 2000 students to impart quality education. At present, it is functioning as English Medium, co-educational school and running classes from Pre-primary to 10+2 level (Science stream). The school has successfully completed 18 sessions and presently 19th is going on.

Our vision:

A Vision without a task is dream; a task without vision is drudgery,

But a task with a vision can change the world. Our vision at SDPS is to turn mirrors into windows where we get to see the brighter side thus removing ignorance, fear and making a society of rationalists and humanists.

Our motto:

The motto of our school is, "Education for Perfection". Our ultimate aim is to impart quality education for all-round development of the children to make them sensible citizen of this country. We further want to promote a scientific temperament amongst the children to keep pace with the developing world.

Our mission:

At SDPS, we perceive to inspire and enthuse children to develop them into well rounded, confident and responsible individuals who aspire to achieve their full potential. We give them a pre eminent, intellectual and a creative centre for their growth.

Establishment Statement:

To achieve our objectives, the school has dedicated team of teaching and non-teaching staff. In order to achieve its goal, the school has **125 staff –members** whose detail is as under: -

| | | | |

Out of 13, our 4 students selected for District Level competition. In Science Quiz our two students Ms. Irisha and Ms. Anmol in Junior category from 8th std. got 2nd position. In Mathematical Olympiad in Senior Category Mannat from 10th std. secured 2nd position and qualified for District Level. In activity corner, from Junior category Navneet Garg from 8th std. has selected for best three activities and qualified for the District Level.

Special Features of the School

The school has its own land with appropriate infrastructure to conduct various activities, as desired. The school has the following additional special features to impart model education: -

(a) Hostel Facility: -

From the session 2020-21 our school is providing its “State - of –the –Art” hostel facility for boys and girls.

(b) Transport Facility: -

School has its own fleet of 12 buses for the convenience of the students at reasonable rates.

(c) Creation of Four Houses: -

In order to inculcate a competitive spirit, leadership qualities and development of personality, the entire school has been divided into **Four Houses**; named as under:-

- (1) **Beas House** (2) **Gomti House** (3) **Kaveri House** (4) **Sutlej House**

Functioning of each house is managed by House Masters backed by teachers.

d) Celebration of Festivals: -

Keeping in view the rich values of our society, the school celebrates the main festivals in the school campus to make the children aware of their importance.

(e) **NSS Unit:** - To teach the students to render selfless services to the community, the school has established NSS Unit and it is working effectively. Time to time the unit organizes camps.

(f) Scouts & Guides Unit: -

Our school has also established Scouts & Guides unit in which the students participate and learn a lesson of discipline, honesty, unity and integrity of the nation. Through this unit, our students participate in each and every activity which is organized at the Distt. level and State level. Last year our three scouts Ashutosh, Arpit Patial, Aakash and one guide Divya from 12th Std. participated in State Level Rajya Puraskar Testing Camp which was organized at Riwalsar, Distt. Mandi and qualified for Rastrapati Award. This year our 4 Scouts and 4 Guides participated in TRITIYA SOPAN CAMP which was organised at GSSS Mahal, Distt. Hamirpur. They are qualified for Rajya Puraskar.

(g) Playway Method & Kindergarten System: -

To cater to the needs and bringing up of tiny tots, school has separate kindergarten wing. Here education is imparted by play way method with the help of proficient and well trained teachers. It is working with complete success and satisfaction of all parents under fully experienced wing incharge.

(h) Morning Assembly: -

According to the Father of the Nation, “Prayer is the key of the morning and the bolt of the evening”. Morning Assembly is the mirror of any academic institution. Keeping in view its importance, the administration has made it a platform of effective communication by including in it personality development programs like news, quiz, debate, speech, topics, moral education and cultural activities. All students of the school participate in these activities impartially (House wise). To enhance G.K., Questions of General awareness are asked by the teachers daily in the morning assembly. The morning assembly is conducted 3 days in English, 2 days in Hindi and one day in Sanskrit language. Exercise is done before the morning assembly daily.

(i) Teaching through digital techniques (6th to 12th std.): - The school is providing teaching through digital techniques. Each and every concept is presented through Power Point Presentation to make teaching-learning process more effective in the class rooms. It is benefiting the students of Elementary, Sec. & Sr. Sec. levels.

(j) Computer Education: -

Keeping in view the importance of information & technology in the modern era, the administration has introduced compulsory computer education from classes 1st to 10th level, whereas, in 10+1 & 10+2, Computer Science subject is optional. In this regard, school has established two well-furnished computer labs which are fully functional with efficient, experienced and well-versed computer teachers with excellent results.

(l) Scholarships: -

Our school has bagged the following scholarships in the academic excellence in the session 2022-23 as under: -

| S. No. | Scheme | Class | Scholarship Amount (in Rs.) | No. of Children |
|--------|---|----------------------------|-----------------------------|-----------------|
| 1. | Swami Viveka Nand Utkrisht Chhatervriti Yojna | 10+1 & 10+2 | 18000.00 (each) | 16 |
| 2. | Dr. Ambedker Medhavi Chhatervriti Yojna | 10+1 & 10+2 (For SC & OBC) | 18000.00 (each) | 12 |

(m) Arrangement of Additional Classes: -

Our teachers are fully dedicated to their assigned work and work culture is fully operative in the school. We arrange extra classes for 9th to 12th std. to bring them up to the desired standard without charging any extra fee, in this behalf, in the morning.

(n) Ban on Tuition Culture: -

The tuition culture is totally banned in the academic work in the institution. As it is not required due to our regularity in the teaching work.

(o) ‘Parent-Teacher’ Meetings: -

The school periodically organizes ‘parent-teacher’ meetings where talks are focused on the level of child in different spheres of performance.

(p) School Website: -

School is having its own website (www.sdpublicschoolhamirpur.in), Face book account, Instagram account and You Tube channel. The website contains complete information about the school, staff members and activities. It is regularly maintained and updated to provide the latest information as desired.

(q) Introduction of Continuous Comprehensive Evaluation System: -

In compliance with the direction of Deptt. of Education, Govt. of Himachal Pradesh and keeping in view its educational value, our institution has also adopted the continuous comprehensive evaluation system for the benefits of children.

(r) Library: -

Library is the major deptt. in any educational institution. At present we have a good library catering to the needs of students. Apart from text books we are also issuing variety of other good books to the children as well as staff members.

(s) Health Education: -

We are living in a fast moving world. Most of the time we remain unaware of our health aspect which definitely needs special attention by the teachers and parents of their wards. Keeping in view this important aspect, the school administration has been arranging the services of the qualified doctors/health educators in the school campus itself. Periodical health check-ups have been arranged by the school administration in collaboration with the Zonal Hospital Hamirpur.

(u) Provision of Parking Place: -

In modern era, the culture of owning own vehicles is on the rise. To fulfill the parking requirement, we have proper and enough parking area just outside the school gate.

(w) Our Well-Developed New Complex: - Our ergonomically designed New Complex has become functional from this Academic Session 2023-24 which is situated amidst the green and serene environment at Dugha Kalan. This complex is equipped with State of the art infrastructure, strengthened sports activities and within campus Hostel facilities for Boys and Girls separately. Games & Sports are very essential activities for the development of the students. Considering it as an important element, our new campus is now providing students more play fields- an important element, which was lacking in the congested premises of old school. Our children are equally involved in fitness activities during school hours under the supervision of our physical education teachers. Our new complex on the outskirts is also providing safety to the students from traffic hazards.

(x) Plan to switch over to CBSE: - Presently, our school is affiliated to HPBOSE but affiliation with CBSE within next few days is on the way.

Future Planning

Planning is an important aspect of any institution. It is otherwise known as life-line of the institution. Keeping this aspect in mind, the school administration has acquired sufficient infrastructure to accommodate two thousand students. Fully digital teaching is going in the Elementary, Secondary and Sr. Secondary classes. In near future, this is our commitment to maintain the ongoing level of teaching learning process in the institution to achieve the perfection and every possible step will be taken for the benefit of the students positively.

Conclusion: -

The school administration is proud of its worthy and dedicated teaching and non-teaching staff who are fully committed to enhance the noble cause of education in our society. They always work with the missionary zeal to achieve their goals. Here we are thankful to the parents who are associated with the school and regularly provide us feedback which in turn benefit all the students. Benefits of EPF/Pension/Gratuity for the staff already exist in the institution.

I am especially very grateful to the parents, guardians and the local people of the area whose optimistic response and co-operation in all activities of the school remained encouraging and fruitful.

Jai Hind.
