A First Hand Introduction of the School

S.D. public School was established in the year 2005, as a self-financing and highly reputed center for imparting quality Education. It started with the motto “Education For Perfection”. At present this institution is functioning as English Medium Co- Educational School, running classes from Pre- Primary to +2 including medical and non- medical streams and is affiliated to C.B.S.E. Till now, the institution has completed 19 sessions.

LOGO

Our logo consists of 12 leaves which signifies 12 years of student's life in school. The green colour in the leaves depicts hope, renewal and revival, whereas yellow colour in the border symbolizes knowledge, learning and mental development. In between the logo, Jyoti and ॐ symbolizes Enlightenment through hardwork and worship of God. Flap at the bottom in green colour with yellow border is our motto “ Education for Perfection”, followed by year of establishment of school.

OUR MISSION - “Education for perfection”

The relentless pursuit of SDPS has been to lay the foundation of Noble character of moral integrity, brotherhood and confidence in the young minds, so that they grow strong and confident as ideal citizens who can shape the destiny of the nation.

OBJECTIVES AT GLANCE

- To impart quality education with the sense of faith in Humanity and Nationalism.
- To Enrich the knowledge of students for creativity in Science and Technology.
- To inculcate moral and social values among the students.
- To provide excellence in co-curricular-cum –academics activities.
- To enable the students to compete with the world in every field of life.
- To prove full commitment and dedication in order to serve the society at large.

From the Principal's Vision and Philosophy

"With vision and mission, people Grow".

Our mission is "Education for Perfection" and vision is to make every student globally competent through holistic education, development of right skills, to inculcate spirit of nationalism and respect for our culture and society at large. We believe that only disciplined citizens with right bend of mind can make a sensible society and we are sure that our students are the assets for the creation of such society.

At SDPS we prepare students to develop higher order thinking skills, peacemaking skills and leadership abilities in an environment of shared values of non- violence, equality by using a combination of the Core Knowledge, Curriculum and Direct Instructions. Students learning experiences are affected by the way in which they are taught and how it is modeled by their teachers. When learning is active, connected and purposeful, students can be motivated. So, we perceive to inspire and enthuse children to develop them into well rounded, confident and responsible individuals who aspire to achieve their full potential.

Principal, SDPS

Message from Vice-Principal

At SDPS, we are committed to foster a dynamic and intellectually stimulating environment within the school campus. Our dedicated team of educators strives to inspire curiosity, critical thinking, and a lifelong love for the subject matter. Through the innovative teaching methods, hands on experiences, and curriculum designed to meet the challenges of the future, we aim to prepare students not only for academic success but also to be well rounded individuals equipped with the skills necessary for their chosen paths. Academic excellence along with co-curricular activities completes the process of education. And it gives me great satisfaction that the school is progressing in all its endeavors towards the overall development and personality of the students.

Mr. Krishan Chand
Vice-Principal, SDPS

Message from School Coordinator

Here in SDPS, we are not merely concentrating on reading and writing, but also inculcating sound habits to make the students ideal citizens of this country. Admittedly, we are making them mentally alert, physically strong and morally sound to enable them to face the real challenges of life. In addition to academic work, our thrust is to make our children obedient, honest, truthful, disciplined and true patriot to serve the cause of the nation. Our ultimate objective is to impart quality education and to develop positive and constructive approach to face the challenges of new generation. Our motto is to promote a scientific temperament amongst children so that they do not grope in the dark and take the nation forward with the family in right direction.

Mr. Atul Gautam
School Coordinator, SDPS

MESSAGES FROM WING INCHARGES

A handwritten signature in black ink, appearing to read 'm. rana'.

Mr. Mohinder Singh Rana
Wing Incharge

We recognize the unique talents and potential of each student. Our goal is to nurture these qualities to help them flourish academically and personally. With a focus on innovation, collaboration, and holistic development our Primary wing aims to instill a love for learning and foster the skills necessary for success in the ever changing global landscape.

We at SDPS firmly believe that every child who crosses the portals of our school is a special and unique project. The process of sculpting the children's mind and grooming them to effective citizens begins in the formative years. Education acquired through creativity and innovation is the heart of successful and lifelong learning. We promote a spirit of curiosity and enquiry which makes educational experiences challenging but fun filled. My team of mentors and I personally work on personality shaping and confidence building, which we believe are important facets of schooling. We impart quality education supplemented with the right values which nourish their tender souls.

HOUSE SYSTEM AND ELECTIONS

The House system occupies a prominent position in the field of co-curricular activities which are organized in a healthy competitive spirit. The school has been divided into four Houses:-

1. Beas House 2. Gomti House 3. Kaveri House 4. Sutlej House

Every student is allotted a particular house at the time of admission and he/she continues to stay in the same house till the time he/she is in the school.

To involve the students in the smooth running of the school, each house is put on duty in various activities in turn for a month. It helps the students to learn great ideals of self discipline, leadership and loyalty to the institution. Stage exposure is also provided to every student.

SPORTS

“When health is absent, wisdom cannot reveal itself, art cannot manifest, strength cannot fight, wealth becomes useless and intelligence cannot be applied”. Herophiles

We at SDPS are equally concerned with the physical growth of our children. We have highly skilled PETs, DPE and Boxing Coach who continuously struggle to prepare and ensure participation of the students for sports events available in the school.

PERFORMING ARTS AND PERSONALITY DEVELOPMENT PROGRAMMES

Each discipline of music, dance and drama engages a child's brain, body and emotions in different ways. This module encourages children to explore and expand their imagination and helps them develop their own, unique voice. School provides faculty for various fields of performing arts being experts in their respective fields.

Personality development programme helps children to enhance their communication skills and confidence from a very young age. Under this programme each student is given equal opportunities to be on the stage and enhance their inter-communication and verbal skills.

For each student, to render selfless services to community, the school has established SCOUTS & GUIDES/NSS units in which the students participate and learn a lesson of discipline, honesty, unity and National integration. Through these units, our students participate in each and every activity which are organized at Distt. and State Levels.

OTHER FACILITIES PROVIDED BY SCHOOL

COMMUNICATION FACILITY: Reports of academic performance/class tests and other communication is communicated to parents regularly through wing incharges. So, the parents are required to give the latest and working contact nos. Moreover, the contact nos. are updated after each and every session.

PTM: Regular communication between Parents and teachers is essential for the overall growth of children. Keeping this fact in mind, our school periodically organize parents' teachers' meetings where talks are focused in different spheres of performance.

BAN ON TUITION CULTURE: There is a total ban on the tuition culture as it is not required due to our regularity in the teaching work.

HEALTH EDUCATION: We are living in fast moving world. Most of the time we remain unaware of our health aspect which definitely needs special attention by the teachers and parents of their wards. Keeping in view this important aspect, the school administration has been arranging the services of the qualified Doctors/ Health Educators in the school campus. Periodical health check - ups have been arranged by the school administration in collaboration with the Zonal Hospital Hamirpur.

TRANSPORT FACILITY: School has a fleet of 12 buses for the convenience of students.

ARRANGEMENT OF ADDITIONAL CLASSES: Our teachers are fully dedicated to their assigned work and work culture is fully operative in the school. We arrange extra classes for 9th to 12th std. in the morning to bring them up to the desired standards without charging any extra fee.

GLIMPSES OF 2023-24

OUR HOSTEL

A Home away from Home

HOSTEL ADMISSION (BOYS & GIRLS) (Std. 3rd to 12th)

HOSTEL PREFACE

SDPS provides the students an accommodation that gives a home feel and ambience while staying at hostel. We provide a safe, clean, comfortable, eco-friendly environment in a lush green campus that supports the development of a vibrant SDPS student community. Overall students can have a pollution free breath.

Living in student accommodation can be an exciting and rewarding experience. Stay at our hostel during the academic period helps the students to forge for meaningful friendship and helps to learn how to live independently in communal harmony. There will also be opportunities for personal growth and development as the students start adjusting to a new way of living and experience cultural diversity.

AIMS AND OBJECTIVES OF THE HOSTEL

- Offer the right atmosphere for study and interchange of thoughts and ideas.
- Create awareness to social and moral values for improving the quality of life through education.
- Prepare the hostellers to live independently and prepare them to deal with other students and room-mates.
- Make students more ambitious, self-reliant and confident.
- Help the students to face the practical life more confidently.
- Teach the students the value of regularity and punctuality.
- Hostel life is a mixture of different cultural backgrounds, where students learn to live with different cultured background people. A most popular quotation "Things change, time changes, People change, life changes, Time changes things, Life changes people". It is best applicable for the hostel students. Hostel life changes the way a student is, it effects on the personality, behaviour thinking, dressing and many more.
- Aim to grow students emotionally, mentally, psychologically and physically.
